 If you are tired of looking at "tired" homes and want a high-set house with a bit of charm that is central to everything, then you will love our beautiful home at 15 Myndee Street, Vincent. The current owners bought just last year and renovated everything for themselves, but opportunity has taken them elsewhere and now they have to sell their home. The finish on the renovations is absolutely fantastic. Home chefs will love the oversized kitchen with heaps of soft close drawers which opens via a breakfast bar and island bench to the air conditioned main living space. The light oak coloured hardwood floors have been lovingly restored with a satin polish. Wardrobes have been built into all the bedrooms and fitted out with convenient drawers and multiple hanging spaces....

One of the best things about this house is the walkability. Just minutes down the road are fantastic parks where kids can
